The meeting will be held at 8 p.m. at the American Savings and Loan Building, 205 S. Pacific Ave., Redondo Beach. The public is invited.

Snell was born in Soochow, China, and is the son of a missionary who lived in China for some 27 years. He was educated at Shanghai American High School and Vanderbilt University and has done graduate work at the University of Southern California.

A veteran of World War II, he served in the U. S. Navy as a communications and operations officer.

Six Treefish Added to Tank At Marineland

A collection of six treefish currently is being featured in the 540,000-gallon fishbowl tank at Marineland.

The yellow and black-striped fish, called treefish because they often "hang" upside-down in rocky caves underwater, were brought up from 100-foot depths in the Farnsworth Bank area of the Pacific Ocean.
